My Award Tracker · free printable log

Homeschool Attendance and Hours Log

One line per lesson: the date, the subject, what you covered, the reading by title and the minutes. Add up the hours at the end of each page; count a school day for each date you taught. Pennsylvania, New York, Missouri and Georgia ask for days, hours or both. Check your state's current rules.

Student _____ Grade _____

School year _____ State / target _____

Date	Subject	Lesson: what you covered	Reading (title)	Minutes	Hours	Sample?
			Total hours on this page			

Georgia counts a school day only when it has 4.5 hours or more. Tick the Sample? box when you kept a worksheet, photo or project for the portfolio.

Parent or instructor signature Evaluator or witness signature Date
